

NOEL HARRIS

(PRESENTATION
DESIGNER)

PROFILE SUMMARY

Presentation designer with 5+ years building pitch decks, investor materials, and executive presentations for tech startups and agencies. Advanced in PowerPoint, Keynote, Adobe Creative Suite, and Figma. Known for fast turnarounds, clean visual storytelling, and decks that hold up in any room — seed rounds to board meetings.

WORK EXPERIENCE

Freelance Presentation Designer

Jan 2024 – Present

- Designed 30+ pitch decks, investor updates, and sales proposals for early-stage tech startups across SaaS, fintech, AI/ML, and cybersecurity — 100% on-time delivery rate.
- Built 4 signature deck styles as portfolio anchors (clean minimal, bold dark, corporate polished, data forward); created fully editable PowerPoint/Keynote master template systems with custom slide layouts.

Senior Presentation Designer

Sep 2022 – Dec 2023

- Led deck production for 15+ enterprise accounts in tech, healthcare, and financial services; presentations regularly delivered to C-suite and board audiences.
- Maintained a PowerPoint master library of 200+ slide layouts across 8 active client brands, reducing new-deck setup time by 60%. Mentored 2 junior designers through bi-weekly design reviews.

Presentation Designer

Mar 2021 – Aug 2022

- Designed 30+ pitch decks, investor updates, and sales proposals for early-stage tech startups across SaaS, fintech, AI/ML, and cybersecurity — 100% on-time delivery rate.
- Built 4 signature deck styles as portfolio anchors (clean minimal, bold dark, corporate polished, data forward); created fully editable PowerPoint/Keynote master template systems with custom slide layouts.
